26th Annual Seal Day Coming to San Pedro June 24th

Free event includes seal viewing, food trucks, live music, arts, plus a comic and anime pavilion!

(May 25, 2018 San Pedro, CA) If you haven't been to Los Angeles County's year-round sea lion hospital, Seal Day is the day that you will want to visit! Seal Day festivities will feature outdoor animal viewing, live music, food trucks, games for kids and dozens of booths from a wide range of community organizations. For fans of comic and anime, grab your friends, craft your cosplay and experience the new comic and anime pavilion! **Seal Day is happening at [Marine Mammal Care Center Los Angeles](#) from 10:00 AM – 4:00 PM on Sunday, June 24th.**

Bring your appetite too! Some of the region's most popular food truck eateries including BrewKings, Pho King Awesome, Blast Ice Cream and Dogtown Dogs will be serving it up all day long. Popular exhibitor booths will include the Spay Neuter Project of Los Angeles, Sierra Club, Sea Shepherd Conservation Society, Aquarium of the Pacific, plus many more. The Surfrider Foundation will also present discussions on ocean conservation and plastic pollution.

Art, comic and anime exhibits feature Twinlit Worlds Star Cars & R2 builders, Robert Rossoff, Captain Anime, Enki Crafts, Jenna Gray, Zar Star Studios and Kazka Makes. Cosplay appearances are by the Science Fiction Coalition, southern California's premier science fiction fan club. Rounding off the day will be a costume contest at 3:00 PM. Everyone is encouraged to come in costume and join in the fun! Live music performances will include guitarist [Mike O'Bryan](#) (sponsored by the Parrot Club) and singer/pianist [Flaviyake](#).

"In addition to the food, exhibitor booths and live entertainment, visitors will have the rare opportunity to view seals and sea lions as they rehabilitate from their injuries or illnesses, browse our new Mobile Visitors Center, buy souvenirs in our trendy outdoor gift shop, make donations to support our hospital work, and even learn how to become a volunteer. We rehabilitate seals and sea lions north of Zuma Beach to Seal Beach and invite everyone living within these areas to visit our sea lion hospital with their family and friends", says Jeff Cozad, Executive Director.

Festival parking, most exhibitor booths and animal viewing are free. Some exhibit experiences may include a nominal fee to support our hospital. Marine Mammal Care Center Los Angeles is located at 3601 Gaffey Street in San Pedro, in historic Angels Gate Park, near the Korean Friendship Bell and Fort MacArthur. From the 110 freeway south, exit at Gaffey Street and turn left toward the ocean. In two miles turn right at 32nd Street. Follow the signs to Seal Day 2018.
